

NONPROFIT MANAGEMENT, GRADUATE CERTIFICATE (LUBAR COLLEGE OF BUSINESS)

The Graduate Certificate in Nonprofit Management is a collaborative effort between the Lubar College of Business, the College of Letters & Science, and other campus units that have research and teaching interests in nonprofit management and leadership, nonprofit organizations, the nonprofit sector, and philanthropy. The certificate responds to the growing need for trained professionals to assume management and leadership positions in non-governmental, nonprofit sector organizations.

The multi-disciplinary Graduate Certificate in Nonprofit Management is designed to provide students with the knowledge and skills needed to pursue or advance careers within nonprofit sector organizations successfully. It is the first graduate-level program to be provided by any college or university in the State of Wisconsin that has been specifically designed for the leaders and managers of nonprofit organizations.

Combining the Graduate Certificate with Another Graduate Degree

Students in degree programs across campus such as urban studies, public administration, business, social welfare, education, or the arts, have combined the Graduate Certificate in Nonprofit Management with their degree to further enhance their academic preparation for their particular career goals.
