

CGS CHEMISTRY (CGS CHE)

CGS Chemistry Courses

CGS CHE 124X Applied Chemistry and Society

4 cr.

A course for non-science majors that covers basic chemistry concepts in a social context. May include explorations of how chemistry impacts the environment, public health, energy policies, and other contemporary social issues.

Prerequisites: none.

Course Rules: Consists of lectures and laboratories and may also include discussions and demonstrations. Not a suitable prerequisite for higher-level Chemistry courses or pre-professional programs. A student may not earn more than four credits by taking CGS CHE 121, CGS CHE 123 and CGS CHE 124.

General Education Requirements: NS+
